\*\*\*\*\*

(From Wednesday Advertiser)

The announcement of the above selections of the Democratic Territorial Central Committee yesterday morning, together with the news that the committee had endorsed C. D. Pringle for collector of internal revenue, S. S. Paxson, postmaster, Eddie Dunsen for collector of customs, Harry Mossman of Maui for United States marshal, and Attorneys Ashford, Edings and Lightfoot for circuit judges, has split the Democratic party wide open, and from now on the controlling majority as represented by the Democratic County Committee and the office holders on Oahu, will wage bitter war on McCandless and his following as represented by the Territorial Central Committee.

Washington Notified.  
Cables and letters were dispatched to Washington yesterday purporting to give the records of various persons endorsed by the McCandless faction and alleging that the Territory would suffer great injury should any of those named be permitted to hold office.

Special emphasis was laid upon the fact, it is stated, that the territorial committee does not represent the Democrats of the Islands, but only one man, and that had it not been for political trickery, this committee would not be constituted as at present.

The Democratic leaders are particularly indignant at the affront which they claim has been offered them, by the refusal of the committee to endorse Col. C. J. McCarthy, a war hero of the party, for collector of customs, and the selection of Eddie Dunsen for the place. It is charged that Dunsen is a Democrat of but two weeks' standing, that he has never been known either in the party councils or at the polls as a Democrat and that it would be a great injustice to the workers of the party to consider him under any circumstances.

Dunsen is put forward by Link McCandless, in person, it is stated, on the ground that McCarthy had snubbed McCandless in his gubernatorial aspirations. The feeling on McCandless' part, however, is said to date back but a few years when he as a Republican was beaten by McCarthy, a Democrat for the senate. McCandless switched shortly afterwards, but it is said that he has never forgiven McCarthy for having been a Democrat long before he lost his fortune with the
